Health for All: Promote. Prevent. Empower.

March 6, 2019

POSITION VACANCY
#405-56-585

Position: Registered Environmental Health Specialist, or
Registered Environmental Health Specialist Intern

Location: Appalachian District Health Department
Jefferson, NC

Salary: \$44,808- \$70,836 (DOQ) - Intern slightly less

Closing Date: Until filled

Description of Work: Promote public health through independent fieldwork in education, inspection, surveillance, and enforcement of environmental health programs such as food/lodging/institutions, on-site wastewater systems, water supplies and complaint investigations. The majority of the work will be in the water protection section with some work in public swimming pools. This position will be assigned in Ashe County. Must have the ability to work well with the public, good understanding of environmental health rules and regulations, good oral and written communication skills and some computer user skills. Must be able to operate a motor vehicle and have an un-revoked NC driver's license.

Applicant must be in good physical health in order to perform field evaluations that are required to perform the duties of a Registered Environmental Health Specialist.

Minimum Education and Training: Graduation from a four-year college or university with 30 semester of course work in the physical or biological sciences and two years of exposure in environmental health; or a four-year or Master's degree in environmental health from a program which is accredited by the National Accreditation Council for Environmental Health Curricula of the National Environmental Health Association and one year of experience in environmental health.

Minimum Education for Intern: Graduation from an accredited college or university with a four year baccalaureate degree with a minimum of 30 semester hours in the physical or biological sciences. Applicant must be eligible to be registered as a sanitarian intern with the N.C. Board of Sanitarian Examiners.

State application and transcript should be submitted to:
