

Environmental Health Supervisor II

Environmental Health Division

Hiring range: \$65,000 - \$72,000

Location: Spindale, Marion, or Columbus, NC

Description of work

- Direct supervision of environmental health program for the three-county district.
- Sets long-term programmatic or operational goals and provide the necessary organization and support resources to accomplish these goals with established State guidelines.
- Works directly with Public Health Director to establish environmental health program goals.
- Ensures that all aspects of environmental health program meet requirements for Local Health Department Accreditation.
- Responsibilities may be divided between the time in the office and in the field and will require travel from county to county within the district.
- Other duties as defined in job description

Minimum education

Graduation from a baccalaureate program with a minimum of 30 semester hours or its equivalent in the physical or biological sciences

Necessary special qualification

Registration as an environmental health specialist by the NC State Board of Environmental Health Specialist Examiners. Candidates must be authorized in FLI, OSWW, and wells, with preference given to candidates with additional authorizations.
